Associations of Government Servants.
Representations from ----.

GOVERNMENT OF BOMBAY.

POLITICAL AND SERVICES DEPARTMENT.

Circular No. 7823/46.

Bombay Castle, 5th October 1950.

CIRCULAR OF GOVERNMENT.

Government has noticed that several associations of Government servants are in the habit of submitting their representations or of forwarding the resolutions passed by them direct to Government even when they are composed of members of a single Office or Department who are under the administrative control of the Head of the Office or Department concerned. This practice is irregular and should be stopped. Government is accordingly pleased to direct that all associations of Government servants except those which consist of members of more than one Department should not submit their representations or the resolutions passed by them direct to Government. They should submit their representations or the resolutions passed by them to the Head of Office or Department concerned who will refer them to Government in the administrative Department concerned if considered necessary. These associations can, however, appeal to Government if they fail to get their grievances redressed at the hands of the Head of Office or Department but the appeals should invariably be submitted through the latter. Appeals which are not submitted through the Head of Department or Office should not be entertained.

All Heads of Departments and Offices are requested to communicate these orders to the associations under their respective administrative control.

Dear Sir,

I am directed to state that Government has observed that several Associations of Government servants are in the habit of submitting their representations or of forwarding copies of resolutions passed by them direct to ~~Government~~ Government, even when they are composed of members of a single office or Department who are under the administrative control of the Head of the Office or Department concerned. I am, therefore, to request you to~~xxxxxxxxxxxxxxxx~~ see that all representations or resolutions pertaining to a particular office are submitted through the Head of the Office or Department, who will refer them to Government in the administrative Department if necessary. The Association can , however, appeal to Government if it fails to get its grievances redressed at the hands of the Head of Office or Department, but such appeals should

invariably be submitted through the latter. No representations or appeals will be considered by Government in future, unless the above instructions are complied with.

Yours faithfully,

Subject:- RECOGNITION TO THE UNION.

Sir,

We have submitted our application for recggnition on 6-4-49 alongwith our constituion . We have received no reply to this date.

I am point out that our union is commanding 70% of the total strength and all the office bearers are from the workers.

The Government is not going to entertain our letter so long the Sangh is not recognised. On our personal talk with P.W.D. Secretariat office we were told that the rules for recgonition have not yet been framed by the Government. No recognition can be granted unless the rules are formed .

It is really a dilema. The matter is pending for a very long time and vital questions are involved which cannot be solved unless the union is recognised.

We therefore request you to kindly grant us provisional recognition. We are willing to abide by all rules and regulations.

Thanking you,

Yours faithfully,
